Out Of The  
Blue

To you

I want to express my gratitude to you for supporting me and my music.  
With this support I have been given the opportunity to have my dream come true.  
I have been able to follow my heart in creating and recording this music.  
A gift of such kind is simply priceless, I cannot thank you enough for making this possible.  
I hope my music brings you as much joy as I had in creating it.

# 1 Out Of The Blue

Written and produced by Xander Nichting

All instruments and arrangement: Xander Nichting

This song stands for the unexpected in our lives.  
Suddenly something happens in your life that you thought never to be possible.  
Maybe doors were open all along, but you simply didn't see it.  
I chose to make this the title song of my first solo album.  
Because it all came Out Of The Blue.

# 2 Life

Written and produced by Xander Nichting

Piano Jan Peter Sträter

All other instruments and arrangement: Xander Nichting

Life is what happens to you while you're busy making other plans. (John Lennon)  
We don't have our past, nor do we have our future.  
We only have the present.  
The goal of our ambition lies in the future.  
Life is the road that leads you there.

# 3 Tentrutine

Written by Bokkie Vink, produced by Xander Nichting

Vocals: Xander Nichting

Acoustic Guitar: Frank Stukker

All other instruments and arrangement: Xander Nichting

I would like to dedicate this song to the abandoned children of Valea Screezi, Romania.  
To Asociatia Pro Vita, the organization that created this village as a shelter to provide protection from the outside world, and to the families who take them into their homes, the builders, the teachers ...  
To the wonderful group of people from Holland with whom I visit this village each year to give workshops and to show the children that there are a lot of people out there who care.  
I am impressed each time I go with the warmth and love that seems to be so natural there.  
I am given much more to take home, than I thought I would be bringing, and I cannot thank you enough for this.  
This song is ... For You.

When the sky fades, on a shallow day,  
And the evening sun disappears,  
When the wind blows all your fears away,  
I will shine my light onto you. (XN)

# 5 Sometimes

Written and produced by Xander Nichting

All instruments and arrangement: Xander Nichting

There is never "Always"  
"Sometimes" taught me to avoid expectations.  
With no expectations, there are no disappointments.  
Sometimes, you do well, sometimes you don't.  
Life can be easy once you accept this.

# 6 The Circle

Written and produced by Xander Nichting

All instruments and arrangement: Xander Nichting

From ancient times The Circle has been the symbol of eternity in life.  
Life begins and ends at the same point.  
In every ending there is the dawn of a new beginning.

### A Celtic Blessing

May the road rise up to meet you,  
May the wind be always at your back,

And until we meet again,  
May God hold you in the palm of his hand.
